# JOIN THE NIA TODAY!

Whether working with the city, addressing improvement initiatives, beautification projects, partner collaborations or community programming, the NIA champions all residents on Naples Island. Membership dues constitute the majority of the NIA's annual budget.

Choose your preferred membership level. Our business partners have helped sweeten the deal! For example, at the $100 level and up, Naples Car Wash offers members a FREE car wash and Kihon Sushi celebrates with a FREE mochi dessert. At the $250 level and up, Naples Rib Co. gives members 50% off one of their world famous Party Packs (up to an $80 value) and Michael's On Naples adds a $25 gift card! These special, higher-tier benefits are in addition to the popular discounts all members receive when they present their NIA membership cards at participating island businesses. Questions? Contact John Angelo, Membership Chair 513.289.8300 • membership.nia@gmail.com

Members at all levels receive an NIA Membership Card good for special offers and discounts at participating local businesses.

Members at the Community Champion level and higher receive an NIA Concert in the Park Picnic Blanket.
